	<hr/>
Total Expenses	226.40
Ending Balance	2807.66

Thanks to Kevin Kenny, 200 newsletters were written, printed, and mailed, great job.

Susan hopes to expand mailing list.

Speaker for July meeting was Jamie crow, supervisor of Neighborhood service Reps for Insight Cable Co. These service reps are calling on current customers of Insight to get them ready for the switch from analog to digital service. This switch will come sometime after the first of the year. Anyone having questions on this switch can contact Insight and setup an appointment for Service Rep to come and explain various plans and cost of these. Some channels will be going off and others will switch to another channel.

Those with DirecTV should not have a problem at this time. Tom could not get in touch with WOW, if you have cable, you might want to talk to them to see if you need to do anything.

subdivision is progressing with their street repairs when completed City Engineer can recommend streets for approval by the city.

CPO Anna gray read and discussed crime stats for our neighborhood. These were the following: 2 DV batteries, 3 simple batteries, 3 burglaries, 1 criminal mischief, 2 CIT's, 4 thefts Buy Lo, 2 motor vehicle entry, 1 residential entry.

Discussion on neighbors various concerns:

First was in Oak Hill Woods area, wire from electric line hanging down into street residents made numerous phone calls to get problem corrected, 12 hours later wire was still there. Residents were not quite sure when it was finally resolved. Continuing problem with Ron Gibson's property on N Court, Pool not covered and polluted along with other problems. Anna has contacted code enforcement, thought they were taking care of it she has done everything she can. Kevin Kenny suggested calling or emailing John Friend, City Councilman.

Traffic problem on and going west on Lynch. CPO will check into it.

CPO Gray had some information on Citizen's Academy thru Evansville Police Dept, Bob who has gone through this program a couple of times added that it was a very good and interesting program. Roger will post information on web site about this program.

CPO also discussed phone scam known as "Officer down" asking for donations for families of fallen police officers. Do not donate as it is a scam. The FOP representatives also making calls, these are legitimate.

Susan Harp has found "Children at Play" signs at Rural King for \$14, needs to figure out how to put one up.

Discussions about bridge and road work. Pat Keepes, City Engineer said different supervisors have different ways of doing things when asked why they didn't complete one side before working on other side. Still no street work by Vogel school except there is a turn lane on Morgan to get into parking lot at the school. It was suggested talking to Mayor at a Town Hall Meeting. Keepes guarantees will not flood.

NEW BUSINESS

Upcoming Events: National Night Out, August 3. CPR & Basic First Aid for all ages, Training on September 18, call UNOE, 428-4243 to pre-register, candidates night at UNOE, Aug 26, Hoosier Riverwatch Volunteer Training, August 28.

Problem brought up: cars being scratched by branches at Oak Hill and , this is also traffic hazard. Question why city paid for culvert on . Susan will check on these issues.

Thanks to Bill Brooks of Pit Car Wash on Lynch at Oak Hill for donating \$100 to Oak Hill Neighborhood Association. Thank you for your donation Bill.

Meeting adjourned at 7:55 PM.

JoAnn Dick
